Judges' Profiles

Billie McLean

I started my agility career in 1994. I have competed with 3 large, 3 medium and 2 small dogs. Four have achieved their AtchC titles in the AAC organization. I just achieved AG CH with my one toller and am working in Excellent with my middle toller and novice with my youngest toller and my black lab. I became an AAC agility judge in 2002. I upgraded to a Master AAC judge in 2005. I have competed at the AAC Nationals since the beginning in 2001 with my miniature schnauzer Zoe. We have won the National title in the 6" veterans division 3 times. I enjoy competing in and judging agility as well as meeting people from all over our country who share the same enthusiasm for agility as I do.

Danielle LeVangie

I got my start in CKC events almost 20 years ago with a Dalmatian named Beau. Since that time, I have competed in conformation, obedience, agility, rally, flyball, field trials and road trials in both Canada and the US in a variety of different sanctioning bodies. I also selectively breed Dalmatians and Weimaraners under the Hardrock prefix. I started playing USDAA agility 16 years ago with my Dal Darby and agility quickly became one of my passions. About 6 years ago with only veteran dogs in my house and young children, I decided that putting on CKC trials and judging might be a way to get my fix until I could have a new pup. I lost Darby at age 17, but my life is still blessed with her now geriatric son Theo and a new red headed puppy Jet. Thanx for coming out to these trials, run clean and have fun with your dogs!!!

Sherri Gourlie (Apprentice Judge)

I started training in agility in 2005 and was immediately and irrevocably addicted. Within 3 years of starting to compete, I had titled or acquired qualifying scores on 4 different dogs to various levels in CKC, AAC and CPE agility. In addition to the travel and friendships that have occurred because of discovering agility, I have developed very fulfilling relationships with my dogs that I would not have otherwise had. When not working as an IT Manager or competing at various competitions, my husband Cliff and I occasionally breed rough collie litters.

HELP WANTED

Without the help from volunteers, we could not host these trials. We cannot do it alone! We need your help to make our trial a success. PLEASE sign up to work at the registration desk at the trials.

Job Descriptions

Gate Steward: Makes sure exhibitors are at the gate, in the correct order and ready to run

Ring Steward: Sets bars to correct positions prior to each jump height in a class. Re-sets dropped bars, straightens chute

Leash Runner: Takes exhibitor's leash from start line and places it at finish

Scribe: Marks faults on scribe sheet as they are called by the judge

Timer: Times the dogs' runs using electronic timing.

Scribe Assistant (will be used if trials are very large): Hands scribe correct scribe sheet, writes time on scribe sheet, and hands sheet to sheet runner.

Course Builder: Assists the Chief Course Builder with putting obstacles in the correct position as indicated by the judge

Snacks and drinks will be provided for all those who work.

A volunteer raffle will be held at the end of each day.

Are you in the correct Class?

Selected Class: Any dog eligible to enter an agility trial may enter the Selected Class but can not be entered in the Selected Class and Regular Class at the same set of trials. Dogs entering the Selected Class must progress through the various levels beginning with the Novice level. Dogs will jump one jump height lower than its Regular jump height and this class will get 10% more time than the Regular Standard course time.

Novice A is for persons and dogs that have never acquired an agility title in any country or with any organization.

Novice B is for agility instructors and judges, and for dogs that have acquired the Novice title, but have not earned a qualifying score in Agility Intermediate; and for persons who have previously exhibited a dog to an agility title in any agility organization.

Excellent A is for dogs that have acquired the Intermediate title, but have not yet earned the Agility Excellent title in either Standard or JWW.

Excellent B is for dogs that have acquired the Excellent title or the Master Excellent Title. A dog may move up into Excellent B in only the Standard or JWW class that they have earned an Excellent Title in. A dog only needs to be entered in Excellent B for the class that he/she has achieved the excellent title in. ie. A dog can be in Excellent A JWW and Excellent B Standard.

Veteran Class: a dog 7 years of age or older may be entered in the Veterans Class. Once a dog has been designated as a Veteran and entered in this class, the dog cannot revert/transfer back to the Regular or Selected Classes. The dog will retain titles and/or Qualifying scores towards titles accumulated. Dogs will jump one or two jump heights lower than its Regular jump height and this class will get 10% more time than the Regular Standard course time. For full rules on these classes please refer to the Official CKC Agility rule & regulations.

For Exhibition Only Runs (FEO runs)

Under the CKC's new 'show modeling' program, we have been given permission to offer FEO runs at these trials. No CKC number is needed to take part in FEO runs. CKC will not be tracking these scores, however PDC will track these scores. Qualifying scores from these runs will receive a pink qualifying score ribbon, but they will not be counted towards official CKC titles. Exhibitors may enter FEO runs as many times as they like at a trial, at any level they like, provided they offer evidence to PDC that a dog will have success at that level (eg. The dog runs masters in AAC and a person would like to run excellent in CKC). It is recommended, however, that dogs start at the Novice level and progress through the classes for future PDC award recognition. FEO entries MUST be received by the secretary no later than 15 minutes prior to the class you want to run in. FEO runs will run at the end of the jump heights within the correct class.

A challenge plaque for the Top GSD (with a 3 generation pedigree) in the meet is offered by June Stevens, in memory of Kristari's Sweet Kayla Marie. The winning GSD's name will be inscribed on it yearly.

The German Shepherd Dog Club of Canada is pleased to offer a prize for German Shepherd Dogs that receive a qualifying score in all Standard and Jumpers with Weaves classes.
