## HELP WANTED

Without the help from volunteers, we could not host these trials. We cannot do it alone! We need your help to make our trial a success. PLEASE sign up to work at the registration desk at the trials.

### **Job Descriptions**

**Gate Steward:** Makes sure exhibitors are at the gate, in the correct order and ready to run

**Ring Steward:** Sets bars to correct positions prior to each jump height in a class. Re-sets dropped bars, straightens chute

**Leash Runner:** Takes exhibitor's leash from start line and places it at finish

**Scribe:** Marks faults on scribe sheet as they are called by the judge

**Timer:** Times the dogs' runs using a stopwatch

**Course Builder:** Assists the Chief Course Builder with putting obstacles in the correct position as indicated by the judge

*Food is provided for all those who work & a raffle held at the end of each day.*

---

## **Are you in the correct Class?**

**Selected Class:** Any dog eligible to enter an agility trial may enter the Selected Class but can not be entered in the Selected Class and Regular Class at the same set of trials. Dogs entering the Selected Class must progress through the various levels beginning with the Novice level. Dogs will jump one jump height lower than its Regular jump height and get 10% more time than the Regular Standard course time. For full rules on the Selected Class please refer to the Official CKC Agility rule book.

**Novice A** is for persons and dogs that have never acquired an agility title in any country or with any organization.

**Novice B** is for agility instructors and judges, and for dogs that have acquired the Novice title, but have not earned a qualifying score in Agility Intermediate; and for persons who have previously exhibited a dog to an agility title in any agility organization.

**Excellent A** is for dogs that have acquired the Intermediate title, but have not yet earned the Agility Excellent title in either Standard or JWW.

**Excellent B** is for dogs that have acquired the Excellent title or the Master Excellent Title. A dog may move up into Excellent B in only the Standard or JWW class that they have earned an Excellent Title in. A dog only needs to be entered in Excellent B for the class that he/she has achieved the excellent title in. ie. A dog can be in Excellent A JWW and Excellent B Standard.

**Veteran Class:** a dog 7 years of age or older may be entered in the Veterans Class. Once a dog has been designated as a Veteran and entered in this class, the dog cannot revert/transfer back to the Regular or Selected Classes. The dog will retain titles and/or Qualifying scores towards titles accumulated. Dogs will jump one jump height lower than its Regular jump height and this class will get 10% more time than the Regular Standard course time. For full rules on these classes please refer to the Official CKC Agility rule & regulations.

## For Exhibition Only Runs (FEO runs)

Under the CKC's new 'show modeling' program, we have been given permission to offer FEO runs at these trials. No CKC number is needed to take part in FEO runs. CKC will not be tracking these scores, however PDC will track these scores. Qualifying scores from these runs will receive a pink qualifying score ribbon, but they will not be counted towards official CKC titles. Exhibitors may enter FEO runs as many times as they like at a trial, at any level they like, provided they offer evidence to PDC that a dog will have success at that level (eg. The dog runs masters in AAC and a person would like to run excellent in CKC). It is recommended, however, that dogs start at the Novice level and progress through the classes for future PDC award recognition. FEO entries MUST be received by the secretary no later than 15 minutes prior to the class you want to run in. FEO runs will run at the end of the jump heights within the correct class.

## Mixed Breed Dogs

Under the CKC's 'show modeling' program, we have been given permission to allow dogs of mixed breed origin to take part in FEO runs. All FEO rules apply to this section as well.

In 2010 the Board of Directors passed a motion with respect to a Non-Member Tracking Fee for Canadians that participate in CKC events and are not CKC members. At the December 2010 Board of Directors meeting the Tracking Fee motion was deleted and replaced with the following motion:

### **Non-member participation fee**

- a) An annual non-member participation fee for awards and titles will be charged to a Canadian non-member of CKC. The fee will match the ERN fee.
- b) In order to protect the awards/titles earned, the non-member will have a choice either to become a CKC member or to pay the non-member participation fee. Failure to comply within 30 days of notification will cause all awards and titles to be cancelled.
- c) The Premium List must carry a note stating that these fees apply only to dogs wholly owned by non-CKC members and are not applicable to CKC members."

The Non-Member Participation Fee is effective January 1, 2011.

Cost is: \$55.00 + HST
